

Union Square - a Collaborative Higher Education Campus Greensboro, N.C.

The Union Square campus is a collaborative effort between the healthcare programs of UNC Greensboro, NC A&T State University and Guilford Technical Community College in addition to the regional healthcare system, Cone Health Care.

The campus will ultimately include multiple buildings. Phase One is an 80,000-square-foot building housing 10 state-of-the-art simulation laboratories and training spaces for students. The simulated laboratories includes an OR suite, an LDRP suite, an ICU suite and MED/SURG suite. Other functional areas include faculty offices, a medical educational / nursing library, 150 seat tiered classroom, 100 classroom, and a 380 seat auditorium.
